## **Farther Along**

### VERSE I

Tempted & tired, we're oft made to wonder  
Why it should be thus all the day long  
While there are others living about us  
Never molested, tho' in the wrong.

### CHORUS

Farther along we'll know all about it  
Farther along we'll understand why  
Cheer up my brother, live in the sunshine  
We'll understand it all by & by

### VERSE II

When death has come & taken our loved ones  
Leaving our homes so lonely & drear  
Then do we wonder why others prosper  
Living as sinners year after year

### VERSE III

Often I wonder why I must journey  
Over a road so rugged & steep  
While there are others living in comfort  
While with the lost I labour & weep

### VERSE IV

"Faithful till death" saith our loving Mater  
Only a while to labor & wait  
All of our toils will soon be forgotten  
When we sweep thru the beautiful gate
