**Tell me somethin' girl, are you happy in this modern world?
 Or do you need more? Is there something else you're searchin' for
 I'm fallin, in all the good times I find myself longing for change
 And in the bad times I fear myself**

Tell me something boy, are you trin' to fill that void?
 Or do you need more? Ain't it hard keepin' it so hardcore
 I'm fallin, in all the good times I find myself longing for change
 And in the bad times I fear myself

I'm off the deep end, watch as I dive in, I'll never meet the ground
 Crash through the surface, where they can't hurt us, We're far from the shallow now
In the shallow, in the shallow, in the shallow, we're far from the shallow now
