If a pic ture paints a thou sand words, then why can't I paint you? The  
words will ne ver show the you I've come to know. If a face could launch a thou  
sand ships, then where am I to go? There's no one home but you, You're  
all that's left me too. And when my love for life is run ning dry, You  
come and pour your self on me. If a man could be two pla ces at one time, I'd be with you.  
To mor row and to day, be side you all the way. If the  
world should stop re vol ving ningslow ly down to die, I'd spend the end with you. And  
when the world was through, Then one by one the stars would all go out, Then  
you and I would sim ply fly a way.
