

# Ain't No Sunshine When She's Gone - by Bill Withers

"Ain't no sunshine when she's gone..."

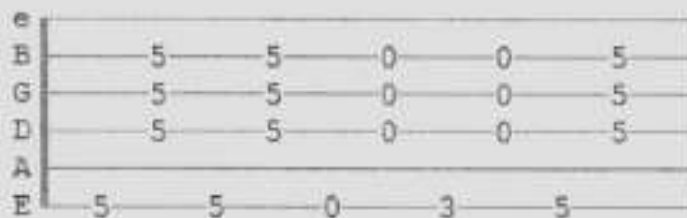

"It's not warm when she's away..."

"Ain't no sunshine when she's gone, and she's always gone too long..."

"Anytime she goes away..."

Repeat that structure for the rest of the song.

Tap the body of your guitar during the "And I know, I know..." part.

Lyrics

**Ain't no sunshine when she's gone  
It's not warm when she's away  
Ain't no sunshine when she's gone  
And she's always gone too long  
Anytime she's goes away**

**Wonder this time where she's gone  
Wonder if she's gone to stay  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away**

**And I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know  
I know, I know  
Hey I oughta leave young thing alone  
But ain't no sunshine when she's gone, woh  
woh**

**Ain't no sunshine when she's gone  
Only darkness every day  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away**

**Anytime she goes away  
Anytime she goes away  
Anytime she goes away**
