

I'll Be Your Baby Tonight – Bob Dylan

Intro: G//// G//// A//// A////

C//// D//// G//// G////

Close your eyes, close the door

You don't have to worry any more

I'll be your baby tonight

Shut the light, shut the shade

You don't have to be afraid

I'll be your baby tonight

Well, that mockingbird's gonna sail away

We're gonna forget it

That big, fat moon is gonna shine like a spoon

But we're gonna let it

You won't regret it

Kick your shoes off, do not fear

Bring that bottle over here

I'll be your baby tonight
