

Moon Dance - by Van Morrison

[Intro] Am Bm11/E Am7 Bm7

Am Bm11/E Am7 Bm7

[Verse 1]

Well it's a marvelous night for a moon dance with the
Stars up above in your eyes
A fantabulous night to make romance 'neath the

Color of October skies

All the leaves on the trees are falling to the
Sounds of the breezes that blow

And i'm trying to place to the calling of your
Heartstrings that play soft and low

You know the night's magic seems to

Whisper and hush ..you know the
So ft moonlight seems to shine

In your blush

[Chorus]

Can I just have one more moon dance with
You.....my love
Can I just make some more romance with
You.....my love

[Verse 2]

Well I want to make love to you tonight
I can't wait til the morning has come
And I know now the time is just right
And straight into my arms you will run
When you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams will come true dear
There and then I will make you my own
And everytime I touch you, you just
Tremble inside
Then I know how much you want me, that
You can't hide

[Chorus]

Can I just have one more moon dance with
You.....my love
Can I just make some more romance with
You.....my love
