

Long Monday - John Prine

[Verse 1]

C **F** **C**
You and me sittin' in the back of my memory
C **F** **C**
Like a honey bee buzzin' round a glass of sweet Chablis
G **F** **C**
Radio's on, windows rolled up and my mind's rolled down
G **F** **C**
Headlights shining like silver moons rollin' on the ground

[Verse 2]

C **F** **C**
We made love in every way love can be made
C **F** **C**
And we made time look like time could never fade
G **F** **C**
Friday night we both made the guitar hum
G **F** **G**
Saturday made Sunday feel like it would never come

[Chorus]

C
Gonna be a long Monday
F
Sittin' all alone on a mountain
C
By a river that has no end
C
Gonna be a long Monday
G
Stuck like the tick of a clock
F **C**
That's come unwound again

[Break]

[Verse 3]

C **F** **C**
Soul to soul, heart to heart and cheek to cheek
C **F** **C**
Come on baby, give me a kiss that'll last all week
G **F** **C**
The thought of you leavin' again brings me down
G **F** **G**
The promise of your sweet love brings me around

[Chorus] then
