 Phone calls long distance To tell how you've been

 Forget about the losses, you exaggerate the wins

 They give you damn near nothin' And they'll say they knew you well

 So you tell 'em you remember But they know it's just a game

 And along the way their faces All begin to look the same

[Verse 3]

G Gaug G Gaug
 Well it isn't for the money And it's only for a while

 Gamblers in the neon, clinging to guitars

 You're right about the moon But you're wrong about the stars
