

Dream A Little Dream Of Me

stars shining bright above you, Night breezes seem to whisper I love you,
 Birds singing in the sycamore tree dream a little dream of me.
 stars fading but I linger on dear,
 I fill craving your kiss I'm longing to linger till dawn dear,
 Just saying this: sweet dreams still sunbeams find you,
 sweet dreams that leave all worries behind you, But, in your dreams what ever they be,
 dream a little dream of me.

Say nighty-night and kiss me.
 Just hold me tight and tell me you'll miss me
 While I'm alone and blue as can be
 Dream a little dream of me
