I SAW LUCY KILL THE GREAT PUMPKIN - F - "I saw Mommy Kissing"

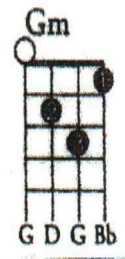

[F] I saw Lucy kill the great [Am] pump-[Dm]-kin, [F] out in Linus' pumpkin patch last [C7] night. She [C] didn't see me creep through the [F] vines to have a peep. She [G7] thought that I was as tucked up on my [C] doghouse fast sleep.

Then [F] I saw Lucy gut the Great [Am] Pump-[Dm]-kin. [F] Disemboweling him with a butcher [Dm] knife. [Bb] Oh what a fright it would've [E7] been if [Am] Linus had only [G] seen, Lucy [Dm] kill the Great [G] Pump-[Am]-kin [C7] last [F] night.

[F] I saw Lucy kill the Great [Am] Pump-[Dm]-kin [F] out in Linus' pumpkin patch last [C7] night. She [C] didn't notice me as she [F] cut his shell so deep. It was [G7] all that I could do not to ['sin-[C]-cerely' raise a peep.

Then [F] I saw Lucy stab the Great [Am] Pump-[Dm]-kin [F] carving out some eyes n' mouth with her [Bb] knife. Oh what a blight it's gonna [E7] be for [Am] Linus this Hallo-[Gm]-ween 'cause [G7] Lucy killed the Great Pump-[C7]-kin last [F] night
