American Folk Song

[C] I've been working on the [C7] railroad, [F] all the live long  
[C] day. I've been working on the [Am] railroad, just to  
[D7] pass the time a-[G7]-way. Can't you hear the whistle [C] blowin'?

[F] rise up so early in the [E7] morn. [F] Can't you hear the  
captain [C] shoutin' [G7] "Dinah, blow your [C] horn!"

Dinah won't you blow, [F] Dinah, won't you [D7] blow,

[G7] Dinah won't you blow your [C] horn? Dinah won't you blow,

[F] Dinah, won't you [D7] blow, [G7] Dinah won't you blow your [C] horn?

Someone's in the kitchen with Dinah, someone's in the kitchen I

[G7] know, [C] someone's in the kitchen with [F] Dinah

[C] strumming' on the [G7] old ban-[C]-jo and [G7] singin'

[C] "Fee, fi, fiddlee i o fee fi fiddlee i [G7] o, [C] fee fi

[F] fiddlee i o". [C] Strummin' on the [G7] old ban-[C]-jo.
