

JUST BECAUSE -C

Just because you think you're so pretty, just because you think you're [G7] so hot. Just because you think that you got something, nobody else has [C] got.

You made me spend all my money, you [C7] laughed and called me old Santa [F] Claus, I'm tellin' you honey [C] I'm leavin' [A7] you, [D7] because [G7] just be-[C]-cause.

Just because you think I'm so lonesome, just because you think I'll be [G7] blue. Just because you think I'd be foolish, to stay home and wait for [C] you.

You made me drop all my boyfriends, you [C7] laughed and called me old Santa [F] clause, well I'm tellin' you honey [C] I'm through with [A7] you, [D7] because [G7] just be-[C]-cause.

There'll come a day you'll be lonesome, there'll come a day you'll be [G7] blue. When old Santa Claus won't be near you, to pay all the bills for you

Though you say that I'm foolish and [C7] you had to drop old Santa [F] Claus. I'm knocking wood honey, [C] I'm through for [A7] good [D7] because [G7] just be-[C]-cause.
