

KOCH - to tune of I'd like to buy a coke today

KOCH

C D7
I'd like to buy the Koch's a world so they'd leave ours alone.

G7 C F C
Then go back to Park Avenue and crawl beneath their stone.

C D7 *rise democracy*
I'd like to teach the Koch's about a true democracy -

G7 C F C *make some evil*
where working class kicks corporate ass from sea to shining sea.

C D7 *my whole family*
I'd like to give the Kochs the bird from my whole family.

G7 C F C
Just keep your phony culture war, And keep your fucking tea.

CHORUS

C (They're the bad guys) *d7*
They're the evil thing. Make them go away.

C Kochs are...
They're the evil thing.

C D7
They'd like to take the world and fill it up with misery

G7 C F C
By buying politicians votes- corrupting democracy.

C D7
They like to take entitlements and send them up in smoke.

G7 C F C
They'd like to gut the EPA calling climate change a joke

C D7
Make huge investments in big oil they try to minimize

G7 C F C
And if we dare expose the truth we'll soon be vaporized.

C (Koch brothers will screw) *TO CHORUS*
It's the deal thing.... in all that they do,
Koch's are

It's the deal thing
Koch's are
They're the evil thing
