

Play Me the Waltz of the Angels

C Played a party last G7 night for some C Cold folks
They were F dancing and smiling at C me
Cept this old man G7 alone at a A m table
As D7 if there's someplace that he'd rather G7 be

So I said C sir can I G7 play something C for you
Something F special that you'd like to C hear
When he looked up at G7 me he was A m smiling
C Oh but his eyes G7 couldn't hide the C tears

He said play me the waltz of the F angels
And C I'll close my eyes and G7 pretend
C Play me the waltz of the F angels
So I can C dance with my G7 angel C again

He said yes that's the G7 song I reC member
That's the F one that she loved the C best
It was playing the G7 night that I A m met her
And it C was playing when we G7 laid her to C rest

He said play me the waltz of the F angels
And C I'll close my eyes and G7 pretend
C Play me the waltz of the F angels
So I can C dance with my G7 angel C again

Let me dance with my G7 angel C again
