[G]// Now the hacienda's dark, the town is [D7] sleeping, // now the

Time has come to part, the time for [G] weeping. [G7] [C] Vaya

Con Dios my [G] darling, /// [D7] may God be with you my [G] love.

//Now the village mission bells are softly [D7] ringing, //if you listen

With your heart you'll hear them [G] singing, /// [C] Vaya Con Dios

My [G] darling /// [D7] may God be with you, my [G] love.

//Where-[Dm]-ever you may be [G7] I'll be be-[C]-side you ///

Al-[Dm]-though you're many millions [G] dreams a-[C]-way.

//Each [Em] night I'll say a prayer [A7] /a prayer to [D] guide you.

//To [Em] hasten ev'ry lonely [A7] hour of [D7] ev'ry lonely day.

Now the [G] dawn is breaking through a gray [D7] tomorrow, /// but the

Memories we share are there to [G] borrow [G7] [C] Vaya Con dios

My [G] darling, /// [D7] may God be with you my [G] love.
