[G] Your cheatin' heart [G7] will make you [C] weep. You'll cry and  
[D7] cry and try to [G] sleep. But [D7] sleep won't [G] come  
[G7] the whole night [C] through. Your cheatin' [D7] heart will

Tell on [G]

When [G7] tears come [C] down like fallin' [G] rain you'll toss a  
[A7] round and call my [D7] name. You'll walk the [G] floor  
The way I [C] do. Your cheatin' heart [D7] will tell on [G] you.

Your cheatin' heart [G7] will pine some [C] day and crave the  
[D7] love you threw [G] away. The [D7] time will [G] come  
[G7] when you'll be [C] blue. Your cheatin' [D7] heart will  
Tell on [G] you.

When [G7] tears come [C] down like fallin' [G] rain you'll toss a  
[A7] round and call my [D7] name. You'll walk the [G] floor  
The way I [C] do. Your cheatin' heart [D7] will tell on [G] you.
